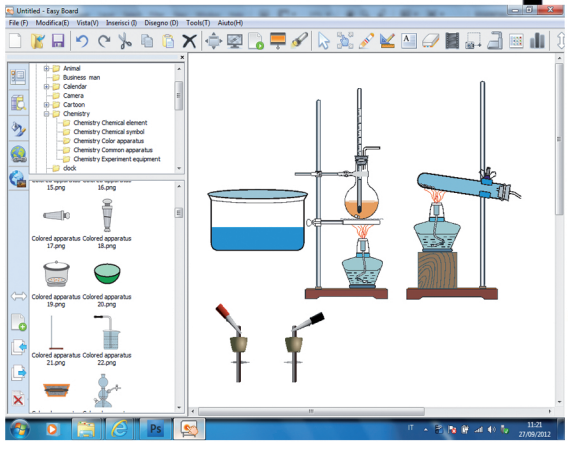
Easy-Board Quadri Touch EB 80 QT
Interactive Whiteboard

The EBT 80 QT series interactive whiteboard enables four users write and draw simultaneously. Users can write, draw and move objects with a finger. Connects Easy Board Touch to a PC via standard USB port, just plug-n-play, makes the lecture more interactively and enhances the efficiency of conference and seminar.

EBT 80 QT supports multiuser writing and common multi touch gestures currently recognized in Microsoft Win-7.



Key Features:

It works with the touch of a finger or pen.
EBT 80 QT allows up to four users to simultaneously write.
Write speed, accuracy and high resolution are the strong point of the board.
Quick installation with driver auto-installed.
No Driver install for Windows7
Multi-Touch Gestures Recognition
Plug-n-playLow-gloss surface that is optimized for projection
Easy of assembly thanks to the wall brackets pre-mounted separately
Audio Box USB w/Speaker 35W x 2 (optional)
